

Hello. My name is Linda Roberts. I have been a member of TAPEIT since 2006. I have served on the board as a board member, as the Treasurer, as the 1st Vice President, and now as the President. I have worked in Property and Evidence since 2006. I am employed with Upshur County Sheriff's Office. My duties there consist of the property room, investigating crimes, and crime scene investigations.

My husband and I have been married 26 years. We have raised 3 wonderful children. Our oldest daughter is a peace officer. Our son works in manufacturing. Our youngest daughter is a teacher. We also have 2 wonderful sons-in-law. We have 1 super precious grandson, Jackson. I love to travel, spend time with family, try out new recipes, and to dabble in crafting.
